By combining one, two, or three weapons together, you can use various kinds of attacks or effects, and you will be able to advance your character. Story There are four pre-defined classes: Knight, Archer, Monk, and Druid. You can freely customize your character with these basic class types. Knights are strong in offensive abilities, and are useful for fighting against monsters, stealing items, and liberating territories. Archers specialize in long-range attacks and are also useful for stealing items. Monks are able to control the elements using magic, and can use various kinds of magic that are useful in battle. Druids can utilize magic to attack with precision or to control monsters and monsters. While you are leveling up, you will learn magic of increasing level, and you will also be able to learn and raise various skills. Skills can change your attack, attack and magic, or a different weapon. Skills can also change the way you equip your equipment and the way you play, as you can use the same equipment to suit various kinds of play. GAMEPLAY By combining one, two, or three weapons together, you can use various kinds of attacks or effects, and you will be able to advance your character. • With a set of weapons, you can perform attacks or effects such as “magic,” “lock-on,” “charge,” and “fling.” You can learn two types of skills for each class. For example, two skills are available for Knight: Blade Attack and Crystal Attack. • The power of each weapon you equip depends on their rank. It can be enhanced to a maximum level by equipping different kinds of weapons. As you play, you will become familiar with the range of each weapon as you improve and develop them. • You can enhance your attack or defense ability with sets of items, special equipment, and the all-round improvement ability of skills. As you progress, items will be gained and you will be able to learn more skills. Depending on the class, you can equip the same kind of item to various parts of your body. • You will be able to fight against monsters while passing through various kinds of dungeons and proving yourself to become an Elden Lord. The results of a battle will depend on the power of your weapons and the spirit of your party. You will be able to enter the main story, which is the main quest, when you win three battles
